

**USB-IF Compliance Workshop #81
February 6-10, 2012**

Vendor-Hosted Test Suites Form

Vendor-Hosted Test Suite Form:

The purpose of this form is to get your Vendor-Hosted Test Suite placed on the correct testing floor and space appropriately to prevent testing interference. Please fill out and fax your completed form to the USB-IF at +1(503) 644-6708 by **Friday, January 13, 2012**.

- Faxing in this form does NOT register you for the event. To register for CW#81 please visit, <https://www.usb.org/members/events/>.
- Unlike previous Compliance Workshops completing this form does NOT make your sleeping room reservation for your suite. For information on how to make your vendor-hosted test suite reservation and general attendee sleeping room reservations please read below.

Making Your Room Reservations:

Please call the hotel's Reservation Department at **1-800-367-5370** or **(808) 922-6611** and give the reservationist the group code "**USB**" to make your reservation or visit our hotel event reservation page at <http://www.marriott.com/hotels/travel/HNLMC?groupCode=CW8CW8A&app=resvlink&fromDate=2/5/12&toDate=2/10/12>. Use the FIRST and LAST name you listed on your Vendor-Hosted Test Suite form if you are required to host a suite so we can find your reservation and place you in the correct room.

We recommend you make your reservation by **Friday, January 13, 2012**. This will help ensure your ability to get a room, as the hotel has been known to sell out. Once the group block is filled, rooms will be available at the prevailing rate. If you register and are unable to secure a room Monday-Friday the standard event cancellation policy will apply. **Please note: you are responsible for organizing and requesting a late checkout directly with the hotel.**
