2	Mandatory Equipment List	3
2.1	Scope	3
2.2	Mandatory Module List	3
2.3	Mandatory Host System List	3

1 INTRODUCTION

1.1 Purpose

This document details the mandatory equipment to be used in Interoperability testing by a Listed Third Party Test House.

For details of the test cases the reader is referred to the USB-IF ExpressCard Interoperability Checklist.

1.2 Related Documents

This document is provided as a supplemental informative resource to the *ExpressCard Technology Compliance Program 2.2* its related documents and subsequent updates.

- *ExpressCard Technology Compliance Program 2.2*
- *ExpressCard Interoperability Checklist 1.1*

This page intentionally left blank

2 MANDATORY EQUIPMENT LIST

2.1 Scope

This section contains the equipment to be used during either Host System or Module portion of the *ExpressCard Interoperability Checklist* testing. The list is maintained by the USB-IF.

2.2 Mandatory Module List

Table 2-1: Modules Used in Host System Testing

	Module Interface	Module Width	Manufacturer	Model	Compliance ID
1	USB	34 mm	AtechFlash	ProExpress-7 Media Adapter	EC100082
2	USB	34 mm	Hagiwara Sys-com	HEX-S*G Flash Memory	EC100113
3	USB	34 mm	National Instruments	779425-02 GPIB Module	EC100039
4a*	USB	34 mm	AVerMedia	E568 Pure DVB-T	EC100042
4b*		54 mm	AVerMedia	E509R AverTV Express	EC100114
5	PCI Express	34 mm	Abocom	EGE5K GbE Adapter	EC100049
6	PCI Express	34 mm	Ratoc	REX-EX30S eSATA Adapter	EC100112
7	PCI Express	34 mm	Sony	MSAC-EX1 MemoryStick DUO Adapter	EC100167
8a*	PCI Express	34 mm	SIIG	C030-00G1 FireWire 400	EC100068
8b*		54 mm	SIIG	C032-00G1 eSATA Adapter	EC100069

* In cases where a host system has only a 34 mm ExpressCard slot, the 34 mm module shall be used. In cases where the host system has a Universal ExpressCard slot, the 54 mm module shall be used.

2.3 Mandatory Host System List

Table 2-2: Host Systems Used in Module Testing

	Manufacturer	Model	Compliance ID
1	Acer	Aspire 5220	EC100160
2	Acer	Travelmate 6592	EC100154
3	Fujitsu	LIFEBOOK E8310	EC100144
4	Toshiba	Satellite L40	EC100151
5	Toshiba	Satellite A210	EC100153
6	Toshiba	Satellite U300	EC100156
